Dear Lynn Valley Residents,

I am writing on behalf of the owners of the Lynn Valley Centre. As you may know, the owners have been thinking of revitalizing and redeveloping parts of their property for years. Recently they presented the District Council with plans which included very urban looking high rise buildings. This plan was not well received by the community.

As a result, I have been asked by the owners to work with them and the community to come up with a new plan. I realize this may be a major challenge but I am grateful for the opportunity.

Before beginning the re-drawing process, I would like to hear the opinions and views of as many people as possible. We will be opening a store front location in the Centre effective May 5th, 2013 and will keep it open through Lynn Valley Days on May 25th, 2013. If you would like to share your thoughts, please stop by the Centre, or e-mail or write to us. All opinions and views are greatly appreciated.

If you have a copy of the original plans I would ask you to please discard them. We can do better. Thank you for your understanding.

On one further note, I have heard a rumour circulating that the shopping center will be closing. I would like to assure you this is absolutely incorrect. The owners have made it very clear that any future plans must include updating the mall to give it more of a village feel.

Thanks again,

Yours truly,

Mark Sager
