

**WANT THE CHANCE TO
MAKE MANY POSITIVE
CONTRIBUTIONS TO YOUR
COMMUNITY?**

If you do - then we should talk!

The **LYNN VALLEY SERVICES SOCIETY** is looking for a few of those special people who make Lynn Valley such a great place to live.

There is an opportunity for new community members to join our dynamic Board of Directors in charting new directions for the Society. If you are interested in child and family services, youth activities, health and lifestyle issues or community events and are not afraid to roll up your sleeves and get involved then we want to talk to you! The Society intends to create a new vision for community services and programming for the Valley in the coming year so this is your chance to get in on the ground floor and see your ideas come to life and flourish. Please contact **Mr. Bob McCormack, Vice Chair, LVSS** at (604) 988-5460, or e-mail rwmacct@telus.net by May 12, 2014.

Previous board experience is welcome but not necessary.

We invite you to get involved in being a major part of shaping the future of programs, services and events in Lynn Valley and helping improve our community for everyone.
